Dear Prabhu,

CIMA Accreditation – Xi'an Jiaotong – Liverpool University

Further to our recent emails regarding the accreditation of XJLU by CIMA we would like to detail the exemptions available to your programmes based on our improved accreditation framework.

Under the improved accreditation framework we aim to bring students closer to the CIMA qualification in a shorter time period.

For details of exemptions from CIMA available to your students, please refer to Appendix 1 of this letter. We will also have this updated on our exemption website.

Thank you for your keen interest in CIMA and we look forward to strengthening our partnership. If you have any questions then please come back to me.

Yours sincerely
